

Commercial 3

Do you know someone who has recently been laid off or furloughed? I'd like to talk to them about how to ensure that their retirement stays on track during their layoff or furlough. Listen for people asking for work or taking a sudden vacation now that they have the time. They also may be talking about going back to school. Individuals who have been laid off or furloughed are a great referral for me. I'm _____, this chapter's financial advisor.
